

SOLAR SHOWER NEW GENERATION

COBRA

MAIN FEATURES

Recyclable HDPE structure

32 L capacity

Uses solar energy

Available in 5 colors

Foot rinse included

Unique design !

A design combining slender curves and reptilian details.

This solar shower becomes a decorative element in its own right in your garden. Equipped with an orientable rain-effect showerhead, a mixer and a stainless steel finish foot rinse, it is also environmentally friendly thanks to its 23 L HDPE column which uses solar energy to provide a shower at the right temperature.
